He is survived by his two sons, David and Max, three daughters, Susan, Margaret, and Mary Ann, nine grandchildren, and one great-granddaughter. I offer my heartfelt condolences to each of them.●

#### TRIBUTE TO PAUL SLATER OF LONDONDERRY, NEW HAMPSHIRE

● Mr. SMITH of New Hampshire. Mr. President, I rise today to recognize and congratulate Paul Slater of Londonderry, New Hampshire for his outstanding volunteerism and for being selected to serve as President of the Londonderry Lions Club for the next year.

Paul Began his volunteer work with the Londonderry Lions Club in September 1995. His unwavering commitment to the organization, its mission, and its activism within the community propelled him to the club's Board of Directors during the summer of 1996. Today, Paul serves as both the Treasurer and Secretary of the Londonderry Lions Club.

Dedicated to social and humanitarian causes, Lions Club International is the world's largest service organization. With its primary focus on the needs of the blind and visually impaired, the mission of Lions Club International also extends to the needs of each chapter's respective communities. In addition to advancing the club's mission by organizing yearly yard sales and fund-raising dinners, Paul continuously works towards the betterment of his community and state.

Every year since his induction as a member of the Londonderry Lions Club, Paul has helped organize and distribute Christmas and Thanksgiving baskets to those who are less fortunate in the Town of Londonderry. His biggest contribution to the organization and the people of New Hampshire, however, has been through his tireless effort towards improving Lions Camp Pride. Camp Pride, located in New Durham, New Hampshire, is a summer camp for children and adults with mild through profound special needs. In cooperation with the Londonderry Police and Fire Departments, Paul has been instrumental in insuring that the proceeds from the annual Police-Fire softball game are contributed to Lions Camp Pride.

Having served as an honorary member of the Lions Camp Pride Board, I recognize the importance and the value of Paul's work and I would like to thank him for his commitment to Lions Camp Pride.

Furthermore, Paul has continuously exhibited his unselfish dedication to the community as the Chairman of the

Londonderry Lions Club High School Scholarship Committee. As a strong believer in education and equal opportunity, Paul has worked hard to insure that students with financial hardship who work hard and strive for academic excellence can still pursue college and technical educations.

Mr. President, Paul Slater has devoted his time and his heart to serving the Londonderry Lions Club, the Town of Londonderry, and the people of New Hampshire. It is people like Paul that make New Hampshire a special place to live, and it is an honor to represent him in the United States Senate.●

#### LOYOLA UNIVERSITY MOOT COURT VICTORY

● Ms. LANDRIEU. Mr. President, I rise today to congratulate the Loyola University, New Orleans Law School's Moot Court team for their performance in the American University Burton D. Wechsler First Amendment Competition. The competition is designed to showcase the dedication and talent of law school students from across the country, and the Loyola students displayed a great deal of both in their victorious efforts.

Moot Court Competitions are an opportunity for law school students to demonstrate their talents as advocates in an appellate court setting. They tackle a difficult legal problem in a written brief and then are subject to the grueling ordeal of probing and questioning by a panel of appellate court judges. The Burton Wechsler First Amendment Competition asked competitors to argue the complex question of the use of languages other than English while conducting government business. I am proud to say that our team from Loyola University took this challenge and used it as an opportunity to excel.

The team of Steven Griffith, Gaven Dall Kammer, Christopher Alfieri, Elisia Shofstahl, and faculty advisor, Prof. Mitch Crusto, took overall first place honors in the competition. Loyola defeated five highly-regarded opponents on their way to the title. Other honors garnered by the Loyola team included first place "Best Brief" and the "Runner-Up Best Oralist" award, won by Elisia Shofstahl. Loyola's fine performance in this prestigious national competition represents the very best in effort and education.

The team's impressive victory is a testament to the hard work and inherent skill of Loyola's fine law students. Such effort and success is worthy of our admiration and praise. Again, I congratulate the members of Loyola's Moot Court Team on their victory at American University's First Amendment Competition, and wish them the best of luck in their future competitions and careers.●

#### TRIBUTE TO PATRICIA BARR

● Mr. JEFFORDS. Mr. President, today I rise to pay tribute to an out-

standing Vermonter, Patricia Barr, of North Bennington, Vermont. Pat's commitment to improving the health status of Vermonters and all Americans, serves as a model to us all. She is a stunning example of how one person can have a positive effect on many others.

Over the course of her life, she has been an advocate and strategic planner for breast cancer research and ethical issues. Pat has tirelessly championed these causes and for that, we are forever grateful.

Pat has served on the national Breast Cancer Coalition Board, and currently serves as President of the Breast Cancer Network, which she founded in 1993. Her devotion to health, medical and ethical issues has landed her numerous other roles and responsibilities, including positions on the Center for Disease Control's Breast and Cervical Cancer Early Detection and Control Advisory Committee, the Human Genome Project's Task Force on Genetic Testing, and the National Cancer Institute's (NCI) Breast Cancer Progress Review Group. She has also served on NCI's Cancer Genetics Working Group, and the National Action Plan on Breast Cancer's Biological Resources Working Group Subcommittee on Ethical Issues. In these and in other capacities, Pat has made numerous presentations in Vermont, throughout the Nation, and even outside of the country, regarding ethical and cancer issues.

Through word and action, Pat has touched, and improved, the lives of many individuals. Of all those who have crossed my path over the years, few individuals have such a distinguished and proven track record of commitment to breast cancer and related issues. By helping to educate, promote and advocate for change through newsletters, grant programs, support groups, projects such as the Ladies First Program, and lobbying public officials, Pat's involvement helped blaze the trail for success.

We have been well served by Pat and look forward to her continued leadership. Vermonters, and all Americans, owe her a debt of gratitude for her passionate, steadfast work on these vitally important issues.●
